MONTCLAIR PLACE ANNOUNCES THE CANYON, KIDS EMPIRE, AND OTHER NEW RETAILERS

Inland Empire Shopping Center Continues Repositioning

Montclair, CA (July 11, 2018) – Montclair Place is on the fast track to becoming the Inland Empire’s shopping, dining and entertainment destination with the announcement of over 48,000 square feet of newly-leased space following the recent announcement of the new 55,000-square-foot AMC Dine-In Theatre coming to the new wing currently under construction.

“The Montclair community is fully-supportive of these new tenants and the expansion plans for existing retailers. Joining the roster that includes the AMC 12-Screen Dine-In Theatre, these new tenants add tremendous value to Montclair Place’s existing tenant mix, and will supplement the drivers that attract other unique and familiar retailers to this important regional center,” said Montclair City Manager Edward Starr. “The city looks forward to continuing our collaboration with Montclair Place in bringing a new and fresh approach to market trends in retail, entertainment, dining, and living.”

The Canyon is California’s leading music and entertainment venue, set to open a new 17,500-square-foot space at Montclair Place by early 2019. Inland Empire guests can look forward to a state-of-the-art, intimate, live concert experience from a variety of entertainers, while enjoying an array of menu options. Previous performers at other Canyon venues includes Styx, Smokey Robinson, Kenny Loggins, Stone Temple Pilots, Paul Anka, Air Supply and more.

Forever 21, the authority on fashion and the go-to retailer for the latest trends, is opening a new 15,000 square foot store at Montclair Place. Clothing options for men and children will now be available, in addition to the extensive women’s retail offerings. The hottest deals and must-have styles will be available by fall 2018.

Inland Empire families will be thrilled with the opening of Kids Empire, a new 11,000 square foot indoor playground specially designed for kids to play and explore, opening this December.

The indoor park features obstacle courses, bounce play, soccer, family seating areas and more! It's perfect for birthday parties, after-school, weekends and vacation fun.

Joining Montclair Place's Moreno St. Market this fall is Doner and Gyros, home to 590 square feet of salivating Doner kebabs, the best tasting gyros in town and an array of delicious sides and desserts. This marks the first U.S. location for the Dubai-based Doner & Gyros, offering guilt-free street food brought to Montclair Place by the Inland Empire's own Claremont resident.

Spectrum, the nation's leading cable, TV, and internet provider, is opening a customer service center in time for the 2018 holiday season. Consumers will be able to experience product demonstrations, return and exchange equipment, make payments, and more.
